NON – COMPULSORY BRIEFING SESSION QUESTIONS AND ANSWERS **BRIEFING SESSION DATE: 27 NOVEMBER 2024.**

SCMU 11: 2024/25. SKILLS PROGRAMMES. GEOGRAPHY

❖ The following Q & A arose from this section of the ToR:

1. Clarity was sought on the ToR in terms of it being similar to the previous tender advertised recently.

It was noted that the previous tender was valid and that this was a new need, with a Memorandum of Agreement and different beneficiaries in place.

2. Would training take place during the week, weekends or after hours?

It was noted that this would be scheduled with GDE and the recommended bidder. It was noted that in most cases, training happened on a Saturday.

The following questions were raised in the second section of the ToR:

1. Could the recording of the briefing session be shared with those present?

It was noted that this would not be possible as the recording was for internal use. The Questions and Answers would however be published on the ETDP SETA website.

2. If a bidder has a GIS qualification towards GIS which includes Geography, would it be sufficient? were

It was noted that the qualification would be sufficient, as long as it has Geography components linked to it.

3. The GIS component was not part of the scheduled training dates on the ToR. Should it be included in the 6 months?

Bidders were advised that when preparing their rollout plans, to adhere to what was in the ToR. If bidders were unable and show exactly how they were going to meet the requirements of the TOR.
